### **CLASS NOTES 4: EXERCISES**

**Today's exercise is HOMEWORK #4 — from the previous exercise you should have gained one, possibly even two grades. All in all, four homework grades will be used for your assessment and I expect to hand out one more set of exercises.**

**DRAW THE FULL TREE DIAGRAMS FOR THESE THREE SENTENCES:**

- (1) To eat meat or to eat fish should have been decided a long time ago.
- (2) My friends decided that they would take along some beer on our trip.
- (3) She wanted to see him very much before leaving Nicosia.

**THIS EXERCISE IS DUE NEXT CLASS: TUESDAY, MARCH 27.  
THE PREVIOUS EXERCISES (CLASS NOTES 3) ARE DUE APRIL 17.**
